WELCOME!

TO SPRINGFIELD

Welcome to Springfield and the Ozarks! Whether you've already decided on a move to our area or are still making that decision, this guide is for you! We've taken input from our agents and staff, some of whom are life long residents, to compile a list of amenities, attractions and events unique to our area. Also included is a list of our favorite service providers to help make your move and integration seamless.

Springfield is a regional hub with large city amenities and small town hospitality. Nicknamed the Queen City of the Ozarks, it's famous for being the home of Bass Pro Shops and Wonders of Wildlife. It's also known as the Birthplace of Route 66. The Springfield Cardinals, the AA franchise of the St. Louis Cardinals, is located here. And, yes, Brad Pitt was born and raised here, so there's that. There are 3 universities, a technical college, 2 major hospitals and several industry hubs here. But rather than talk about it, we'd prefer you visit so we can show you all the wonderful things here. We are, after all, located in the Show Me State!

Whether you're buying or selling a home, one of our relentless agents is ready to deliver an extraordinary experience. Our highly skilled professional team is committed to helping you make informed decisions based on current market trends. Anyone can show you homes, but we can take things to the next level. We want to know your real estate goals, your why, your motivation so that we can help you achieve even your wildest dreams. From an investment portfolio, to second homes, from commercial properties to your forever home, we can handle it all. With offices in Springfield and Hollister, we serve all of Southwest Missouri. When it comes to your real estate needs, never settle.

GIVING 121%.

Ozarks Technical Community College

Springfield founded Ozarks Technical Community College (OTC) in April 3, 1990 when the residents of Springfield school district and 13 surrounding public school districts voted to establish a “community technical college.” Since that time, OTC continues to uphold a core-set of values that include quality, opportunity, accessibility, learning, diversity, innovation, community, respect, integrity and personal growth. We uphold a mission to promote student learning through accessible, high-quality, affordable workforce training and technical and general education that is responsive to the educational needs of the community and its diverse constituencies.

The logo for Ozarks Technical Community College, consisting of the letters "OTC" in a large, white, serif font, set against a solid blue background.

A close-up photograph of a white, curved architectural element, likely a sign or part of a building facade. The words "OZARKS TECHNICAL COMMUNITY COLLEGE" are embossed or painted in a bold, black, sans-serif font, following the curve of the surface.
